Knock-down & Rebuild

With the rising market of Tarragindi and Holland Park, many old homes are being demolished with new ones taking their place. This is a great option instead of buying a new home or renovating. You get to stay in the location you love & you get to design and build a home that personally suits your needs. If you're thinking of knocking down and rebuilding please click on the information guide below.

Difficult & Sloping Blocks

There is no shortage of sloping blocks in Tarragindi & Holland Park, and as a builder that specialises in difficult sites, we are quite familiar with this area. Sloping block homes often viewed as challenging can be a blessing in disguise, providing better views, natural lighting and breezes.

If you own land or are thinking of purchasing land in the Holland Park & Tarragindi area or elsewhere, you can be at ease that regardless of the block's difficulty, breezewayhouse can design and build a wonderful home for you.
